Enabling livelihood...

The Cochin Chamber of Commerce and Industry has decided to create an annual platform to recognize, acknowledge and motivate Corporates in Kerala that contribute to communities through their Corporate Social Responsibility initiatives. The CSR activity should be one that enables positive changes vis-a-vis social, environmental and economic transition for the community in the most sustainable manner.

SAMATVA 2015, will be a platform for thought leaders across industries in Kerala to share the success stories that have truly helped them nurture the communities they have worked for and the results of their endeavours that have driven their passion to create a robust CSR Roadmap for their organisations.

The storytelling that emerges from the awards bring corporate societal engagement to life, and the awards process allows companies to strengthen that story and share it among a wider audience. It also intends to provide public recognition for companies who have acted in a responsible and beneficial manner, linking themselves with ethical values, transparency, good employer-employee relations, compliance with legal requirements and overall respect for the communities in which they operate.

The Inaugural Session will be graced by the Hon'ble Chief Minister of Kerala, Mr. Oommen Chandy & Mr. Shibu Baby John, Hon'ble Minister for Labour and Skills.

The Chief Guest at the Valedictory Session will be Mr. Rajiv Pratap Rudy, Union Minister for Entrepreneurship & Skill Development.

The Speakers at the Conclave include Mr. Satyam Darmora, Lead - Family Economic Stability, Dell Foundation, India, Mr. Ravi Venkatesan, Former Chairman, Microsoft India and Founder-Chairman, Social Venture Partners India, Bangalore, Mr. Mohammed Asif Iqbal, Principal Consultant, Pricewaterhouse Coopers, India, Ms. Priya Naik, Founder & Joint Managing Director, Samhita Foundation, Mr. Anirbhan Ghosh, Vice President, Sustainability, CSR & Ethics, Mahindra & Mahindra, Ms. Archana Sahay, Head - CSR, Cisco Systems and Dr. Gayathri Vasudevan, CEO, LabourNet among others.
